

THE ORGANIC SCOTTISH BARLEY - A REVOLUTIONARY OLD IDEA.

100% SCOTTISH ORGANIC BARLEY, SLOW TRICKLE DISTILLATION AND PREMIUM AMERICAN OAK HAVE PRODUCED THE CREAMIEST WHISKY WE HAVE EVER TASTED.

IN PARTNERSHIP WITH OUR ORGANIC FARMERS – SIR WILLIAM ROBERTS OF MAINS OF TULLIBARDINE, WILLIAM ROSE AT MID COULL AND NEIL SCOBIE AT COULMORE – WE ARE REDISCOVERING ANCIENT SYNERGIES BETWEEN DISTILLER, FARMER AND SOIL. WE BELIEVE RELATIONSHIPS MATTER. ONCE AGAIN, LAND AND DRAM UNITED.

CHARACTER

AN ELEGANT, COMPOSED AND VIBRANT SPIRIT THAT SHOWCASES THE FINESSE, PURITY AND DEFINITION OF ORGANICALLY, GROWN BARLEY.

COLOUR

LATE SUMMER BARLEY.

NOSE

OPENS ON A LIGHT ALMOND NOTE WITH A TWIST OF CANDIED LEMON, FOLLOWED BY THE MAGIC OF TOASTED BARLEY. FLORAL AND FRUIT AROMAS INTERMINGLE BEAUTIFULLY WITH THE TOFFEE SWEETNESS THAT COMES FROM THE AMERICAN OAK CASKS BEFORE THE SPIRIT OPENS ONCE AGAIN WITH DRIFTS OF SUCCULENT PAPAYA AND KIWI.

PALATE

THE TEXTURE IS SENSATIONAL, THE SPIRIT GLIDING OVER THE PALATE LIKE WARM SYRUP. THERE IS A REAL SWEETNESS ON THE FRONT OF THE PALATE WITH BARLEY SUGARS, HONEY, ALMONDS, GREEN JELLY BEANS AND PEAR DROPS ALL SPLASHED WITH A SQUEEZE OF FRESH LEMON AND BALANCED BY THE CRISPNESS OF MALTED BARLEY.

ONCE AGAIN LAND AND DRAM UNITED.

FINISH

AN INTENSITY AND DEFINITION OF FLAVOUR THAT IS UNPARALLELED. INCREDIBLY FRESH, GIVING AN UNFORGETTABLE PALATE EXPERIENCE THAT LEAVES THE TASTES BUDS TINGLING.

MOOD

MISCHIEVOUS. COY, FLIRTATIOUS.
